

BASIC

Basic model with ABS body.

With the same technical features as our models in the “home” range.

Thermodynamic group. Thermal stability. Quality in cup. Less limescale build-up. Stainless steel circuit reduces limescale build-up. Unlimited steam.

Healthy 100%. AISI 316 stainless steel water circuit. No metal migration in water. Complies with European standard EN 16889.

Clean water. Here it is constantly renewed and clean for every coffee. The taste and smell of the coffee are unaffected.
